

Attention PAL License Holders - Join the CBRS Direct platform to realize maximum value for your PAL spectrum!

- * Sell/lease the entirety of your county-sized license(s), or monetize unused spectrum by census tract or via custom coordinates to achieve the maximum ROI from your PAL license(s)
- * Significant flexibility is provided for PAL holders to tailor transaction parameters (lease duration, price, etc.) to fit their objectives
- * Streamlining the transaction through an intuitive user-interface, robust functionality, listing tools, and negotiation system
- * Prospective PAL Holders may search for available PAL spectrum and easily submit offers to PAL Holders for purchase/lease

Leverage Select Spectrum’s success and experience in the secondary market

 Penetration and visibility with spectrum buyers/lessees in myriad of industries –

 Widely established connections with ecosystem partners, such as engineering consulting firms, equipment manufacturers, tower companies, etc.

 Maximize PAL value through dedicated marketing, access to public and private comparables, established relationships, and negotiation experience

The Secondary Market for CBRS PAL rights is experiencing significant demand – act now!
